Welcome Banks' Families to the 2024-2025 School Year!

We are excited to see all our returning students and are glad to report that over 45 new families have joined our school! This is the first year that we are having 6th grade and are happy to welcome our 6th grade teacher, Mrs. Vaughan and Mr. Vironet. Mrs. Vaughan will be teaching math and science while Mr. Vironet will be teaching English language arts and social studies. Ms. Garcia returns as our art teacher and Dr. Brown rounds out our team with band and orchestra. We are using a modified middle school schedule so the students will be prepared when they transition to seventh grade next year.

Our K-5 teachers have hit the ground running. We have new schedules in place and are once again offering library time, counseling, art for K-5, band or orchestra for 4th and 5th grade, and GATE pull-outs for qualified students. Extracurricular sports will be starting next month – watch for more information to be sent out. Our teachers primarily use Class do-jo to communicate with parents, so if you haven't signed up with your child's teacher, please do so soon.

A second inclusive pre-school classroom is still in the works. More information will be forthcoming as it becomes available.

We'd like to invite you to our Open House and Title 1 Parent Meeting on Tuesday, August 27th, from 5:00-6:00. We hope you can make it!

Let's make it a great year!

Respectfully,

William Rosenberg: cm
